11.0 PUBLIC NOTIFICATION

Rockville Pipeline will send outreach and educational fact sheets to the BLM as they are the only landowner in the Source Protection area.

Rockville Pipeline will send a Public Notice flyer (attached below) to all system customers to notify them that a copy of the Source Protection Plan is available for review.

Any other public notification will be covered in the Annual Consumer Confidence Report

PUBLIC NOTICE

The Drinking Water Source Protection Plan for ROCKVILLE PIPELINE COMPANY is available for your review. It contains information about source protection zones, potential contamination sources, and management strategies to protect our drinking water.

All of ROCKVILLE PIPELINE COMPANY water sources are considered to have a very low susceptibility to contamination. We have developed management strategies to further protect our sources from future contamination.

Please contact us at 435-705-5060, if you have questions or concerns about our source protection plan.

12.0 WAIVERS

Rockville has been granted use waivers for VOCs and pesticides for all of these sources. The Use Waiver Applications for these sources are included for your review.
